

Black Beauty

A mystic black shade with a grainy matte finish truly complements any decor.

Snowy White

Its gleaming white shade and a perfect glossy finish creates a soothing decor.

More delight

Remote control switch for light and fan

- Can control 4 lights & 1 fan
- 10 different speed options for fan
- Night lamp on product panel with manual operation option for all functions

TV/SAT/FM socket

- 3 in 1 socket for TV, SAT and FM
- 2 module unit with 3 inputs

VSP – Voltage Surge protectors

- Protects electrical devices like laptops, computers, printers and other office equipments from voltage surge
- Blends very well with the modular range of wiring devices
- Convenient to fit only where it is required, close to the primary sockets

Motor Starter

- For AC's / Geysers etc
- Complete protection against overload
- Aesthetically appealing Motor Starters

Dimmer

- Creates the perfect ambience
- For the first time dims CFLs too
- Dims halogen lamps

Fan regulator

- In-built safety capacitor that prevents from catching fire
- ISI marked fan regulator

Skirting light

- Fitted into the walls at skirting level
- Provides a dim lighting
- Creates a path light during night
- Uses LEDs that saves energy

Motion sensor

- Infrared detectors that detect human movements
- Programmed to automatically switch the device on and switch off when not in use, thus, saves energy

General features

All indicators are fitted with LED Power Savers that are cost effective and save energy.

Child Safe Sockets. Sockets are shuttered for child's safety against electric shocks.

Light, Fan, Bell etc are marked on the switches for easy identification.

All products with ISI mark. Lasts for more than 1 lac operations.

Magic of Modularity. Myrius is a modular range, that offers ease of installation.

Anti-bacterial

More Wellness

Myrius anti-bacterial products offer anti-bacterial protection. The composition of the product contains Ag+ ions which eliminates the proliferation of bacteria on contact with the surface of the product. It has a smooth and straight product design that facilitates in reducing the dust accumulation. It is self disinfecting throughout its lifespan.

Guarantee

- The Company at its discretion, will replace products if they have any manufacturing defect within 10 years for switches (without neon lamp) and power sockets. For all other Myrius™ wiring accessories the guarantee will be 2 years.
- The above guarantee is applicable when the devices are used in Legrand metal flush boxes. Other wise the guarantee period will be reduced by 50%.
- The guarantee is only applicable when the products are installed as per the Company's instructions and not tampered in any manner.
- The guarantee states the Company's entire liability. It does not extend to cover consequential loss or damage or installation costs arising from defective products.
